Rebuilding Lives and Restoring families in Jesus' name

Providing Emergency Shelter

Each night, up to 300 men, women, boys, and girls can find shelter, without worry of the elements or the threat from the dangers of sleeping on the streets. All overnight guests eat dinner and breakfast, take a hot shower, and sleep in a safe and comfortable place.

Hope Totes provide overnight guests with simple items such as a toothbrush, toothpaste, and a bar of soap. These hygiene supplies can bring help and hope to a homeless neighbor.

Providing Transportation

A reliable low-cost vehicle can vastly improve life for impoverished individuals and families. Donated cars give families—and our New Life Program graduates—freedom to get to work, school, doctor appointments, church, and other essential places.

New Life Program- Transforming Lives

Since 2005, 256 men and women have successfully graduated from SBM's New Life Program. As many as 50 men and 60-

70 women and children can receive full time shelter and find a haven in which to restore their lives. Through educational training, work therapy, and Biblical counseling, men and women find hope and the path to rebuild their lives and be restored to right relationships.

Serving Impoverished Families

A food box can mean all the difference for impoverished families struggling to make ends meet. Twice a month, anyone in need can receive a food box, which contain enough food to feed a family of four for 6 days.

No one should go hungry. Our community evening meal is open for anyone in the community 365 days a year.

Great Thanksgiving Banquet, Alazar's Basketball Camp, Christmas Shop, and Back to School Rally provide hurting families help and compassion during critical times of the year.
